PREAMBLE

As our culture discovers scientific research and starts to question the Bible's absolute truth, let us remember that God has always endorsed child abuse.

For it is written "Herein is love, not that we loved God, but that he loved us, and sent his Son to be the propitiation for our sins."

We hold this truth to be ABSOLUTE ...God Killed His Son.

We now live in a time where science has amassed significant research on parental and governmental corporal punishment (spanking). We now know without a sliver of doubt that spanking is a dangerous practice, destructive to children and society.

To that we say "Spank Harder America"

Because God supports Child Abuse!
